

## **LEADING HAND DRAINERS**

- Excellent remuneration package, including vehicle
- Diverse and challenging projects
- Full time, permanent positions

DM Civil is seeking experienced leading hand drainers to join our onsite crews.

Key responsibilities include:

- Installation of pipework for sewer, drainage, water, gas ducts, power ducts and Telstra ducts,
- Setting up pipe lasers and carrying out levels,
- Knowledge of inspection and testing procedures,
- Location of any existing underground services,
- Directing and supporting plant operators.

To be successful for these positions, you must have a minimum of 3 years proven experience in subdivisional and pipeline work, pipelaying and related accreditation, blue/white safety card and a current drivers license.

Previous employment stability and a demonstrated understanding of technical and safety procedures are essential.

These positions will predominantly be based in the Perth metropolitan area with some opportunities for remote work.

A pre-employment medical including alcohol and drug screen will be required.
